Putting healthcare choices back into your hands...

- How much are you paying for health care coverage?
- Are you one of the 30 million people who don't have coverage?
- Do you wish you were able to go to the doctor or alternative practitioner of your choice?
- Do you own your own business, and find it difficult to afford coverage for yourself or your employees?
- Are you a holistic provider looking for ways to help your clients afford your services?
- Are your non-student children between the ages of 18-24 uninsured simply because they no longer live at home to qualify for your healthcare?

THREE MAIN HEALTH SHARE BENEFITS

01

SAVE MONEY

The average self-employed person or small business employee saves an average of \$10,000/year on their monthly pay.

02

IMPROVE THEIR NETWORK

Under the Holistic + Clearshare Plan they can go see any doctor they want including holistic doctors.

03

DECREASE THEIR OUT OF POCKET RISK

There is no maximum out of pocket meaning if there's a surgery, illness or accident there is no maximum that the plan will pay.
