

LOYALTY REWARDS

Young Living's Loyalty Rewards program means points (\$\$\$) for customers who order at least \$50 (50PV) per month. Choose essential oils, supplements, cleaning products...Anything! If you aren't on Loyalty, you're losing money!

Loyalty Points

Place a Loyalty order of 50PV+ each month, and earn points. These points spend just like money.

1 point = \$1 in value

Months 1-3: Earn 10% of your order's PV back in points

Months 4-24: Earn 20% of your order's PV back in points

Months 25+: Earn 25% of your order's PV back in points

Loyalty Gifts

New Loyalty members receive a FREE Desert Mist Diffuser with their second 50PV+ Loyalty Order.

All Loyalty orders qualify for gifts after 3, 6, and 9 months of consecutive orders of 50PV or more. At 12 months, you'll get a special gift from Young Living, an oil blend called Loyalty, which is only available through this Loyalty Rewards consistency program.

Loyalty Rewards orders may also qualify for additional monthly free gifts with purchase.

And More!

Each month you'll just log in and update your Loyalty items to select the products you want to receive that month. There's no limit to the number of times you can update each month. You also get to select which date of the month you want your order to process, and you can change the date from month to month.

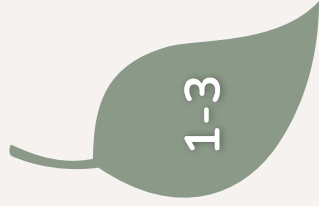

There are also discounted kits available only as Loyalty Rewards orders!
