Suggestions & Tips

Essential oils are not drugs, so they don't force your body to do anything. They get to work supporting your body's efforts to do what it's already designed to do - and that is to heal on its own. So here are a few tips for using some of the oils and blends in our immune support class...

Thieves Cough Drops – Power-packed with our Thieves Blend

Immupro - Chewable wolfberry tablets for extra immune system support with melatonin. It's a fruit and mushroom powder blend with Orange essential. Great for kids.

- Strengthen Immune System
- Sleep
- Great for kids or those who can't swallow capsules

Immugummies – Includes Elderflower, Elderberry, Blueberry, Purple carrot, and Lime. Immune support. Great for kids and adults!

- Take daily to strengthen the Immune System
- Great for kids or those who can't swallow capsules

Thieves Chest Rub - Temporarily relieve cough and congestion with the soothing aroma and power of camphor, menthol, and eucalyptus

Longevity – A powerful blend of Thyme, Orange, Clove, and Frankincense (also comes in a capsule)

- Antibacterial
- Stamina
- Use regularly to stay well or fight something off
- Take with Ningxia

Immupower – Hyssop, Mountain Savory, Cistus, Camphor, Frankincense, Oregano, Clove, Cumin, and Dorado Azul

- Strengthen Immune system

NingXia Red – With plum, aronia, cherry, blueberry, pomegranate, and most importantly, the NingXia Wolfberry (better known as the gogi berry), and Orange, Yuzu, Lemon, Tangerine, and Stevia

- Immune support
- Super food blend – all-around nourishment
- Weight and blood sugar support
